Re: Subpoena served on 9/21/06

Dear Kelly:

Thank you for your call yesterday. The subpoena served yesterday for Dr. Lau's oral deposition indicates that the deposition will take place on October 6, 2006 at 10:00 a.m. at our office. You indicated that Dr. Lau has something else scheduled at that time. We are willing to work with Dr. Lau to reset the deposition, provided a reasonable alternative date and/or time is proposed. Please let us know if Dr. Lau would like to propose a different date and/or time. If we do not receive any alternative proposal we will look forward to Dr. Lau's compliance with the subpoena on October 6, 2006 at 10:00 a.m.

Very truly yours,
